

GUILT FREE GELT SONG by Talia Cooper

(Sung to melody for "Chanukah Hu Chag Tov")

Chanukah – coming soon!
Time for candles and holiday tunes
Time for gelt and time for fun
Chanukah for everyone

When you spin the, spin the dreidel
Get a gimel win the game-l
Chocolate coins are such a treat
But don't you know they're not so sweet

A history of tragedy
Chocolate made from slavery
But we can choose to make it right
Buy fair trade chocolate all eight nights

You can support fair trade labor
Chocolate you can really savor
Eat it free from heavy conscious
Guilt-free gelt, go on get on it

Our windowsills are filled each night
Celebrating the miracle of light
Now let's keep hope alive
Demand a world where all can thrive

If we believe in loving families
Fight for them, just like the Maccabees
Get your gelt from FTJ
Be a hero everyday

Yes don't forget that we have influence
Every dollar makes a difference
We cast a vote every time that we buy
Make it count, let your light shine

Happy Chankukah!
