

PRAYER FOR FAIR TRADE SHABBAT

God, let us be mindful of what we consume.

Help us to understand
that nothing in Your world is without a story
and that the choices we make build the stories of the future.

Help us remember
that behind everything we buy stands a person
with human needs and human dignity.

Help us to value your gifts

To bless them with compassionate hearts

And to look for the spark of You in everything.

Amen

Rabbi Deborah Silver
Adat Ariel
